

TRANSITION TEAM APPLICATION

The Our Saviour's Transition Team will lead the congregation through a process of identifying and clearly articulating our mission priorities moving forward into the next chapter of ministry and service. This process will involve gathering input from congregational members, friends, and community partners. It will, therefore, be vital for each member of the Transition Team to invest in significant times of deep listening, prayer, and reflection.

The Transition Team will be appointed by the Church Council to work under the guidance of Interim Senior Pastor Karen Behling. The Team will consist of 6-8 members and will represent a broad spectrum of ages, interests, and involvement.

The ultimate goal for the Transition Team is to prepare, present and submit the congregation's comprehensive Ministry Site Profile (MSP) which will guide the work of the Call Committee, a separate group to be appointed for interviewing pastoral candidates.

In preparation for leading the congregation through some significant conversations come fall, the Transition Team members will need to be available throughout much of the summer to engage in meetings (in person or via zoom) and to correspond regularly through email.

Yes! I am interested in being considered for appointment to the **Transition Team**. Please fill out this form and return to the office or the Information Desk or email to osel@osel.org no later than **May 5th**.
