**Shawl  
MINISTRY**

**Do you know  
how to knit or  
crochet?**

Our Saviour's Prayer Shawl Ministry could use your talents! Prayer shawls are given to people in time of illness or life challenges to remind them the love of the Lord surrounds them. Prayers for the person who will receive the shawl are woven into the stitches as they are created. We ask that shawls are about 30x60 inches and made without fringe. Use your own pattern or pick up patterns and prayers at the Information Desk. Those interested in making or learning to make these can contact the [church office](#) as we will coordinate learning sessions for those interested. You can also reach out to Parish Nurse, Sherri Lohmann for more information at 651-307-6220.

“Way to go TEAM!!!  
Our Saviour's  
had a successful,  
'Souper Bowl'!”

You gave \$794.25 and 92 cans of soup and 5 bags of soup crackers for the needs of your neighbors. The generous offering and the soup and crackers have been given to Hastings Family Service. HFS supports our neighbors who find themselves in a time of crisis by providing needed food and other needs, as able. Thank you for your willingness to extend Jesus' love and mercy to your neighbors!
