Thanks to all who attended the Town Hall Meeting on Sunday, April 19. The Ministry Site Profile (MSP) was presented by the Transition Team, followed by questions and table conversations. Comments were gathered and some may be incorporated into the document, with all others passed on to the Call Committee to guide them in this process. After a final review of the MSP by the Transition Team on the 20th, this document will be ready for submission. The Call Committee will keep the congregation informed of the process, while also maintaining confidentiality. Your prayers throughout this process are welcome.
